FEBRUARY

4K 5K News

Dates: Feb 12-16 **Teacher:** Mrs. Mendez and Mrs. Tindall

eee

This week we are talking about the relationships we have with our friends and others we love. We are also celebrating Valentine's Day! During Language Arts we are preparing our posters for the Literacy Fair. We are also learning about the -ug family and some new sight words. During Math 4K is identifying different styles of numbers and 5K is working on decomposing numbers 2-9.
In Jesus Time we are learning about the Widow's Mite, how much she loved Jesus, how he blessed her, and how He blesses us too.

Sight Words

4K: play
5K: that

Reminders
