Oct. 29 - Nov. 2

We have such a short week this week with only 2 days! We have made our class point goal and will be watching a movie Monday afternoon, with our class Harvest Party on Tuesday afternoon at 2pm.

During Reading we are reviewing rhyming words and working with the letter Hh. We are also learning the sight words he, and was. During Math, we are continuing to work with addition.

This week there is no writing, due to the short week. During Jesus time we are reading about God's people crossing the Jordan River.
