Next Week at a Glance:

Monday:
NO SCHOOL

Tuesday:

Wednesday:

- Bible Memory Verses Due
- Cross Country Practice: 3:35 - 4:30

Thursday:

Friday:

- Spelling Test

This week in 2nd grade, we finished our work with Noah and his family then began to look into Abram and Isaac.

In math, we have begun to look into equations that build the number 10. We also have been doing some reviewing of our money coins and how we can tell the difference between them. For this week in science, we finished our unit of planting/caring for gardens. We went outside and tended to our Grace garden and were able to try some of the vegetables that have been grown over the Summer! Overall, we had a great week in 2nd grade and are excited to come back and learn!
