Thursday: Parent Teacher Conferences
NO SCHOOL

Friday: **NO SCHOOL**

This week, we started our 2nd quarter very successfully! We have gone underway on a few new projects. One of the projects that we have started to work on is creating our own short stories. The students are learning about what it takes to be an author and an illustrator. This week in our religion classes, we have teamed up with 1st grade and have learned about the Reformation and Martin Luther. The kids are learning about how Lutheranism began and the life of Martin Luther. We are now finishing up our fossil unit and will begin our new unit in science this following week. We are all excited to see what is in store for next week!
