We made it through another week here in 2nd grade! As we prepare for the short weeks to come, we worked hard to finish and plan for these coming weeks.

We have now moved on to our newest book in Religion. We are talking about God calling Samuel to be the leader of the tabernacle. Our focus was to remember that God has a plan for us and that we need to trust his work and word.

In math, we are working more on our comparisons, place values, and our story problems. We are learning more about multiple equation story problems.

Last week, it was amazing to see most of our 2nd-grade readers move up to newer goals in Reading A - Z. So, this week we focused on using our best reading skills while using our best writing skills. Overall, we had a successful hard-working week!
