In our short week here in 2nd grade, these are a few items that we have worked on in class.

We began our story of Gideon and the Midianites. We talked about trusting God's plan. We discussed that if we feel scared and worried we should pray and rely on God.

We then worked more on our short stories. Some students still need to work on their beginnings, so please make sure they finish their work!

In our art class, we are collaborating with the 1st grade to create a tribute for our veterans for next week's Veterans Day. We all had a great productive three days and are excited for this long weekend!
