## THIS WEEK'S HOT TAKE

This week was a fun week as we began to understand the rules of the classroom, how our routines work, and getting back into that school year mindset. This past week we focused on the Creation and the beginning of Noah's ark. In reading, we went over some of our previous 1st grade sight-words and began our 2nd grade sightwords. In math, we worked on story problems with adding and subtracting. We have been learning so much this week while having fun getting back into our routine!

Notes: Memory work is due every Wednesday. The students will recite their verses to me when they walk in.

## NEXT WEEK AT A GLANCE

MONDAY: Turn in all weekend homework!

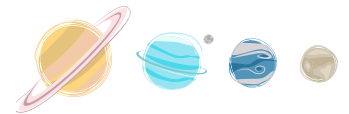

TUESDAY: -----

WEDNESDAY: Memory Work Due

THURSDAY: -----

FRIDAY: Spelling Test

Dress up day: Favorite Shirt Day

For spelling tests, the students will write out their words. For the bonus words, I choose one during the test. If they get the word correct on the test, it is then an extra credit point toward the test.
