THIS WEEK'S HOT TAKE

This week was a success for our 2nd graders! The students are really beginning to understand the expectations and the system we have here in the classroom. I have been proud of the progress they have made with our 2nd week of school!

This week we have been working on a few things. Such as: The story of Noah's ark,

number partners in math, researching neighborhoods and communities. We have been working on our different vowels and consonant letters.
