

# 5K CLASS NEWSLETTER

April 13-17

## What We're Learning

### Reading

We will be finishing up our reader about Seth! (See the Weekly Worker for two stories your student can practice reading to you!) Our new reader will introduce a new character named Sam.

### Math

We are practicing addition to 10 and will be introducing vertical addition. We will also be having a small introduction to counting by 5s and a review on tally marks.

### Knowledge

This week we are taking a look at the Wampanoag tribe and are comparing and contrasting their culture with the Lakota.

## Earth Day Art Project

Please send in empty, clear, disposable plastic water bottles with the labels removed for an all-school Earth Day art project! Needed by April 20<sup>th</sup>! Thank you!
